HE IS I AM

.....

Chorus

Before the world was framed
Before the lamb was slain
Before I knew my name
He is I Am
(repeat)

Verse

Before the world was framed He is
Creator, the shaper of everything that be
Before the breath of life He is
My Savior, so grateful He saved a wretch
like me
Before I fell in sin He is
Redeemer, forgiver of my fallen soul
Before I knew disease He is
My Healer, so thankful that He made me
whole

Chorus

Verse

Before my broken heart He is
Mender, the fixer of my brokenness
Before I lost one fight He is
Conqueror, strong tower, He is my righteousness
Before danger unseen He is
My keeper, protector, there is safety in His arms
Before I had a need He is
Provider, Jehovah Jireh, there is nothing that I want

Chorus

Bridge

He was and is and is to come
Before time and when time is no more
Incredible, incomparable, invincible, all-powerful
He is the Great I Am, He is I Am, He is the Great I Am
He is the Great I Am, He is I Am, He is the Great I Am

Chorus (2x)
