## MORE

.....

(Lord you're more, Lord you're more)

### **Verse**

In your presence  
I don't even need one thing  
You're my water when I'm thirsty  
Comfort when I'm lonely  
All that I need and so much more  
Just like sunshine after the pouring rain  
You dry up all my tears  
Chase away my fears  
You're my everything, you're more

### **Chorus**

More than I've ever dreamed  
More than my eyes could see  
More than I hoped for or even conceived  
More than enough for me  
More than my wildest dreams  
You're more than I'll ever need  
More than I hoped for or even conceived  
More than enough for me

### **Verse**

When I'm near you  
I can't help but lift my hands  
(Praise I will give you. I will bless you)  
And when I'm in need I'll give you more  
(You're my pride and joy)  
No one else compares to you  
You're the apple of my eye, lover of my life  
You're my everything you're more

### **Chorus**

### **Bridge**

Lord you're more than the whole world to me  
Supplier of my every need  
You are more than enough  
You are more, you are more  
You are more, more, more

### **Chorus (2x)**
