REAL GOOD

.....

Verse

Let me take you back to the day when He
(washed your sin away)
Take you way back where you were
(before you knew His name)
Take you back to the time when He
(eased your troubled mind)
Take you way back then my friend
Cuz' it's not that far

Chorus

Oh yeah God's really been good
Praise Him like should
Oh yeah He's been
Really been good to you
Oh Yeah God's really been good
Praise Him like you should
Oh yeah He's been real good

Verse

Let me take you back through life and see
(just what He has done)
Take you back to the cross where He
(gave His only son)
Let me take you back, ooh wee
Do you remember just yesterday
Not far away

Chorus

Bridge

Let me take you back
It's not that far away
When the Lord gave you a brand new day
Now clap your hands, sing for joy, give Him praise
Cuz' He's been good

Chorus (2x)
