Back in the bible days  
On a hill called Calvary  
Jesus died for all to see

Though He did nothing wrong  
They beat Him all night long  
And hung Him to the cross  
(hung Him to the cross)

### **Pre-chorus**

Buried Him in a tomb  
Used a rock to seal His doom  
Jesus conquered Hell and grave  
Third day stone was rolled away

### **Chorus (1x)**

They nailed Him in His side  
Cursed His name on high  
The thorns pierced His eyes (oooh yeah)  
He looked up to the sky  
Forgiveness in His eyes  
He hung His head and died (oooh yeah)
