

YOU ARE

.....

You are, you are, you are

Verse

How do I form my lips to say
That I am grateful every day
What do I do to repay
All of the love you've shown along the way
Impossible to give back all you've given me
So with this life you gave I'll demonstrate
Just what you are to me (you are to me)

Chorus

You are an awesome wonder
You are the greatest lover
You are the beating of my heart, yes you are
You are an awesome wonder
You are the greatest lover
You are the beating of my heart
That's what you are

Verse

Remembering how you gave your life (just for me)
The ultimate sacrifice
(Remembering how you) How you loved me first
Though I did nothing to deserve it
(I didn't deserve your love)
Impossible to give back all you've given me
(So with this life you gave)
So with this life I will demonstrate to you
Just what you are to me

Chorus (1x)

Bridge

So with my lips I will bless (every chance I get)
And with my hands I will praise (every chance I get)
With every breath I'll love the lover of my soul
You are my king, that's what you are to me

Chorus (2x)

You are, you are, you are
